Offering educational grants

The Licensed Trade Charity offers educational grants to help children thrive in education in any school across the UK.

How can the Licensed Trade Charity help?

We can help with a number of educational needs. The most common requests we receive are for:

- Help with school uniforms and PE kits
- Help to pay for school trips and clubs
- Help to buy laptops to support children's education
- School transport costs
- Help with school dinners

We can also help with costs of educational assessments. Please do get in touch to find out more as each family and each child is unique and may have different needs.

Can I apply?

We accept applications from people who have worked in the licensed drinks trade for 5 years or more. We will ask you to sign a HMRC form so that we can request your employment history to confirm your eligibility. We will also look at your savings, income, and expenditure as we cannot help families with substantial income and savings.

How do I apply?

Please call our Helpline on 0808 801 0550. It is free, confidential, and available 24/7. If you are eligible, you will be referred to our friendly grants team. One of us will give you a call and email you the link to our online application form.
