LICENSED  
TRADE  
CHARITY

**Licensed Trade Charity work closely with Shelter and through this relationship we are able to support workers from the licensed trade who have more complex problems with housing, from preventing eviction to housing register applications.**

**For more details about Shelter visit our website.**

If you are experiencing housing difficulties the Licensed Trade Charity can refer licensed drinks trade people to Shelter Helpline Plus so that a Shelter case worker can provide specialist support to guide you through the complexity of housing legislation.

**Homelessness:**

- Making homeless applications.
- Reviewing negative homeless decision.
- Ensuring that the accommodation provided by the council is suitable.
- Providing advice on rehousing options

**Homelessness Prevention:**

- Mortgage and rent arrears.
- Dealing with possession action.
- Illegal Eviction.
- Other situations where the client needs help to establish what their rights are to help the client avoid losing their home (such as succession).

**The Referral Process:**

Visit our website to complete the enquiry form and for details of the referral process.
