BII HELPLINES

BII Members have access to our Expert Helplines whenever you need them. Simply call the Helpline number, dial the option you need and talk to a professional who can help!

Our **nine helpline** options cover everything from legal advice to HR queries - all from trusted advisors in the industry.

"The helplines have been extremely easy to use and were always able to assist me with my problem, and answer all my questions and queries. I would strongly recommend people making as much use out of these helplines as they can."

The Swan Inn

Two telephone numbers, one common goal. Our advisors are on hand during office hours to offer expert advice with a tailored approach to each query.

TRUSTED PARTNERS

Our online directory of Trusted Partners ensures you're never more than a click away from being in touch with the latest products & services to help you streamline your business.

With suppliers spanning EPoS tills, Wi-Fi & technology, training & e-learning, entertainment and much more, our directory is sure to save you time and improve your bottom line.

You will also gain access to our Trusted Partner Guides, which cover a variety of topics full of advice from industry professionals.
